## EDUCATION AND TRAINING

**Bachelor of Arts, Film, TV, And Video Production, Expected in 05/2025**

**Webster University** - St Louis, MO

**Associate of Arts, General Studies, 08/2022**

**St. Charles Community College** - Cottleville, MO

---

## SUMMARY

I am a hardworking, dedicated, and enthusiastic Film Major at Webster University. I am passionately pursuing a dynamic role within a reputable production company, where I can further cultivate my expertise in video production and camera operation. I have three years of experience in content creation in photography and videography. Creating brand awareness content for local businesses, nonprofits and state representatives. As a crew member, I can quickly grasp analog and digital electronics, system integrations, and other technical operations.

---
